

# A TEAM OF TRIAL LAWYERS

**MDR LAW LLC and its team of trial lawyers is proud to boast two record breaking settlements in 2019, among a series of other notable settlements this past year, and throughout the history of the firm**

---

Over \$60 Million this year

We are proud to achieve extraordinary results on behalf of our clients in a wide variety of medical negligence and personal injury matters, including cases involving product liability, MDL, premises liability, construction negligence, sexual abuse, police chase, automobile collisions, traumatic brain injury, nursing home negligence, dog bites, and employment discrimination.

---

\$15.9 Million

In January of 2019, the firm achieved the highest medical negligence settlement in the history of the Circuit Court of Will County against a local area hospital and its labor and delivery and neonatology physicians for causing our client a disabling birth injury.
